WELCOME!

Great Music on Sundays @5 celebrates its 27th consecutive season as Provincetown's longest-running concert series of music of our world. Since the inaugural 1999 season, more than 375 concerts with hundreds of performers have provided music without borders for thousands of concertgoers.

This year's concert season is very cool... literally. The Unitarian Universalist Meeting House has installed a state-of-the-art air conditioning and heating system. The humidity is comfortably low, the atmosphere is refreshing and pleasant, and the live music experience is sublime. On a hot Sunday afternoon in Provincetown, we are the best place to be.

The Sunday concerts begin at 5pm and include an hour of delightful and stimulating music: Baroque, classical, Broadway, international, piano, organ, *a cappella* and original compositions with more than 50 performers presenting music from across the centuries and around the world.

All concerts are presented at the Unitarian Universalist Meeting House of Provincetown, built in 1847 and added to the National Register of Historic Places in 1972, with one of the finest acoustic concert halls on Cape Cod. The sanctuary's historic and rare *trompe l'oeil* walls and serene atmosphere provide the perfect setting for great music. Concerts feature the 1928 Steinway Model B concert grand piano and the historic 1850 Holbrook tracker organ.

Our YouTube channel has more than 20 archived concert films and videos for free viewing 24/7.

There is something for everyone at *Great Music on Sundays @5*! Let's keep the music alive... together!

GMS@5 Broadway Ensemble

John Thomas *music director & pianist*

Brilliant entertainers from Cape Cod and beyond come together for a special presentation of our concert series' signature event: a Broadway extravaganza! The curtain rises on our 27th concert season with a dozen performers offering songs with pizzazz and elegance from musicals throughout the decades.

JULY 20 THE HYANNIS SOUND

**Cape Cod's finest *a cappella*
vocalists since 1994**

charming, talented & fun!

The Hyannis Sound is a professional *a cappella* group of ten college-aged men from all over the country. Every summer, they convene on Cape Cod and spend their days rehearsing and performing at private and public events across the Cape and in the greater New England area. In recent years, the group has amassed a social media presence of over 1.2 million followers. Their posts on Tik Tok have led to being noticed by celebrities Ben Platt, James Taylor and a virtual collaboration with Alicia Keys. The group's repertoire is different from summer to summer and spans genres and decades, making their performances great for everyone from ages 5 to 95. Founded in 1994, the group has been a Cape staple for nearly 30 years, providing full-time summer jobs for its members. Whether putting on their weekly concert series on the Cape or performing at weddings or birthday parties, the group is ultimately united by their passion for singing and bringing smiles to people's faces wherever they go. Their annual performances in our concert series are always memorable.
